## Summer Program- Grades 7-12

---

**Monday, June 27, 2011 – Friday, August 5, 2011**

**8:00 AM – 12:00 PM**

**Students choose two of the following courses:**

- **Work Internships** – Any high school student can work and earn money this summer. Internships are on a first-come, first-serve basis.
- **English** - English classes participate in the Shakespeare in the Park program. Students tour the Old Globe Theatre and see a live production of a Shakespearean play.
- **Math**
- **SAT Prep**
- **Multimedia/Computers**
- **Video Production**
- **Animation/Video Gaming**
- **Sports/P.E.**
- **Rocketry**

*We work with families and districts to provide a summer program that meets the individual needs of each student.*

All students benefit from something to do. This structured day program offers them the opportunity to continue to make progress at a time when they might otherwise slip behind. Our warm, personal environment assures success and fosters mastery for a broad range of ability levels. No homework is assigned.
