

Balboa City School Summer Program Grades K-6

Monday, June 27, 2011 – Friday, August 5, 2011

8:00 AM - 12:00 PM

After School Program also available 12:00 PM – 5:00 PM

Students will take the following courses:

- **Language Arts**
- **Math**

In addition, students will rotate weekly through the following courses:

- **Sports**
- **Video Production/Computers**
- **Lego Camp**
- **Chess Camp**
- **Lego Robotix**
- **“Explore China”**

We work with families and districts to provide a summer program that meets the individual needs of each student.

All students benefit from something to do. This structured day program offers them the opportunity to continue to make progress at a time when they might otherwise slip behind. Our warm, personal environment assures success and fosters mastery for a broad range of ability levels. No homework is assigned.
